The UT AG press contact and the NM press contact both say the presser has been moved to 3 pm in Durango. They said the Co AG is hosting the event.

Is there another point person in your office you can consult? Looking for confirmation asap.  
Thanks,

Grace

Richard,

I am hearing that the AG presser has been moved to 3 pm. Can u confirm adapt? This is for planning purposes only. I am a one man band out here and I can't be at both places at the same time.
